Letter from the Pastor

Dear Parishioner and Friends,

I am grateful to all who have made Holy Family School a charitable priority. Your generosity is a vote of confidence in the efforts to make quality Catholic education available to the children of our parish. Your gift has a direct impact by helping to provide quality teachers and programs that enable our students to grow in a spiritual and academic environment. Because of your generosity, we have been able to challenge our students with new technology from the primary grades through eighth grade. New mp3 players and speakers enable our primary grades to reinforce their reading skills at home with their parents. They are also used in our vocabulary and Spanish programs on several levels.

Smart boards in both the primary and middle school levels, the use of laptop computers, and the computer lab help us to bring the latest in technology into the classroom to help in the instruction of all of our children. Your financial help enables us to continue our efforts in bringing quality Catholic education to the youth of our parish.

I would ask all of you to review the information presented and consider making Holy Family School a recipient of your charitable gift this year. It is an excellent way to make a tax deductible donation that you will know will have an immediate benefit right here in our own parish.

May the blessings of the Holy Family be with you and be assured that you are included in my daily prayers.

Sincerely yours,

Reverend Monsignor Jerome Duesman
Pastor
